The Craven County Board of Elections held its absentee meeting on November 8, 2011. Wood called the meeting to order at 5:02 p.m.

New Business

Due to an illness on behalf of the Dover CJ causing them to open the Dover polling location thirty minutes late, the Board entertained the idea of keeping the Dover polling location open until 8:30 p.m. to accommodate a voter that was at the polling location at 6:30 am but could not wait until 7:00 a.m.

In a unanimous decision, after speaking with the affected voter via speaker phone, the Board determined it was unnecessary to keep the Dover polling location open any additional time.

Having resolved the Dover issue and there being no additional absentee ballots for review Clemmons moved for and Woods seconded a recess until 7:00 p.m. to await the 7:30 closing of polling locations and return of precinct tabulator results.

Adjournment

Having received all tabulator results and supplies back from the polling locations for this election, and there being no further business, the Board adjourned at 9:45p.m.
